

2009-2010 MULTI-WEEK SKI PROGRAM AT

Sunday River®

At Sunday River, we've been working to develop our reputation for providing the best guest service in the industry. Our staff knows what it takes to create a great trip for your group guests, and we're hoping you give us the opportunity to prove it to you. Our service sets us apart from others, and so does our mountain:

- **Legendary Sunday River Snow.** Each season, we combine 155 inches of natural snowfall with the output of our extensive snowmaking system, covering 92% of the mountain. Sunday River pioneered modern snowmaking technology and continues to be the industry leader. We've set the standard in snow conditions with the quality of the snow we make and our commitment to providing you the most dependable snow in New England.
- **Award winning terrain.** Sunday River is made up of eight interconnected mountains offering the best and most diverse terrain you'll find anywhere. Our 131 trails include everything from gentle novice areas to black diamond steepes and glades, and our grooming fleet covers the mountain each night to create the best conditions possible. We also offer a 500-foot, in ground super pipe and four terrain parks open to both skiers and riders.
- **Modern and efficient lifts.** To serve a trail network over three miles wide, we've built 18 lifts, including four high-speed quads. You'll be able to ski from peak to peak quickly and easily, discovering that by spreading our mountain out we've been able to alleviate lift lines and congestion found elsewhere.

The **Essex Youth Commission, Manchester Recreation Department** and **Peabody Recreation Department** are sponsoring this recreational downhill ski & snowboard program for 4 selected Saturdays. The program is prepaid, and each participant is eligible for up to one absentee voucher. Leaders will record attendance each week.
